

2009 Six Sigma Services and Software Buyers Guide

Welcome to *Quality Digest's* 2009 Six Sigma Services and Software buyers guide. This handy reference tool includes more than 200 companies that help you implement Six Sigma within your organization. Included in each description are the company name, location, phone and fax numbers, web site, and an acronym representing whether the organization offers Six Sigma services (SVC), software (SW), or both. Be sure to check this buyers guide online at

www.qualitydigest.com/content/buyers-guides for additional information on these companies.

As with all of our directories, this guide is intended as a starting point to help readers choose the right solution for their needs. *Quality Digest* hasn't evaluated, nor do we endorse, any of the products listed in this directory. Good luck in your search for the right Six Sigma service or software provider to suit your needs.
